

The Cookie Volunteer's Guide

What you've always wanted to know, but not known who to ask...

1. Go to Diddy Riese Cookies in Westwood:
926 Broxton Ave @ Le Conte/Broxton
90024
(A short, scenic* walk from the Math Sciences building.)
2. Order 3 dozen cookies: preferably some sugar cookies, chocolate chip and m&m**...though as the Cookie Volunteer **you can get your favorite cookies**.
And that's why *everyone* wants to be the cookie volunteer.
3. Follow the order with a plea for a free cookie: "Please sir, I'm just a poor student who's walked nearly 10 minutes, so that my fellow students and professors might enjoy Diddy Riese cookies -- might I have a free cookie for my troubles and generous patronage?"
4. Get reimbursed for the \$11.25 you spent on the cookies: give your receipt to Yijing Shen (ex. put it in her mailbox), the SGSA treasurer.

*Westwood's most popular buses, the new UCLA medical school construction site, and a public parking lot on Le Conte!

** I've taken the liberty of offering my personal cookie preferences as a guideline for the cookie volunteers who are unsure of their own cookie preferences.
